

Programm – Dreiländertreffen der Kinderchirurgie 2021

Freitag, 4. Juni 2021

Zeit	Referate
13.00 - 13.05	Welcome - S. Holland-Cunz (Basel)
13.05 - 14.05	<p>Feature Topic: Chest wall deformities Vorsitz: A. Mastorikas (Villingen), P. Romero (Heidelberg)</p> <p><i>Panel-Talk: A. Mastorakis (Villingen) - How I do it!</i></p> <p>1) C. Klipfel, F. Becmeur (Colmar, Strasbourg) <i>Long term cosmetic results of compressive bracing in correcting pectus carinatum in children</i></p> <p>2) R.N. Vuille-dit-Bille, L.C. Guglielmetti, C. McCal, S. Acker, R.A. Choudhury, M. Landman, D. Partrick (Basel, Denver) <i>Minimally invasive repair of pectus excavatum in adults: A technically demanding operation</i></p> <p>3) C. Klipfel, L. Bonemais, F. Becmeur (Colmar, Strasbourg) <i>Cardiac MRI in preoperative evaluation of pectus excavatum: What is the variability of Haller's index during the breathing cycle?</i></p> <p>4) J. Muff, L.C. Guglielmetti, S.J. Gros, L. Buchmüller, G. Frongia, S.G. Holland-Cunz, T. de Trey, R.N. Vuille-dit-Bille <i>Failed preoperative Vacuum Bell therapy does not affect outcomes following mnimally invasive repair of pectus excavatum</i></p>
14.05 - 15.05	<p>Feature Topic: Urology Vorsitz: M. Frech, V. Sommer- Jörgensen (Basel)</p> <p><i>Panel-Talk: M. Frech (Basel) - Diagnostic accuracy of an interdisciplinary tertiary center evaluation in children referred for suspected congenital anomalies of the kidney and urinary tract on fetal ultrasounds</i></p> <p>1) R.N. Vuille-dit-Bille, J. Muff, V. Sommer, S. Holland-Cunz, M. Frech (Basel) <i>Minimally invasive total extraperitoneal varicocele repair – first description in children</i></p> <p>2) C. Klipfel, A. Binet, H. Lardy, F. Bruyère (Colmar, Tours) <i>Symptomatic pelviureteric junction obstruction in children and young adults: Different surgical approaches between pediatric and adulturologists, what outcomes?</i></p> <p>3) W. Brillat Arce, R.N. Vuille-Dit-Bille, S.G. Holland-Cunz, M. Frech (Basel) <i>Magnetic double-J-stent removal without general anesthesia in children</i></p> <p>4) A. Kapp, D. Troxler, F. Prüfer, S. Holland-Cunz, M. Frech, S.J. Gros (Basel) <i>Testicular torsion in the absence of severe pain: considerations for the pediatric surgeon</i></p>
15.05 - 15.20	Coffee break

15.20 - 16.20	Dreiländer Session	Vorsitz: S. Gros, R. Vuille-dit-Bille (Basel)
1) Fabian Ruping (Heidelberg) <i>Ovarteratome im Kindes- und Jugendalter - Ovar erhaltende Therapie versus Tumorektomie Ein Review der aktuellen Literatur mit Case Reports aus HD. Besteht zwischen Gynäkologen und Kinderchirurgen ein unterschiedliches Vorgehen?</i>		
2) Julia Fröschlin, M. Ramser, S. Holland-Cunz, S.J. Gros (Basel) <i>Incidence of perforated appendicitis during Corona lockdown period</i>		
3) Nora Manz, C. Höfele, J. Bielicki, H. Schmid, I. Bielicki, M. Matter, S. Holland-Cunz, S.J. Gros (Basel) <i>MIS-C - Implications for the pediatric surgeon: An algorithm for diagnostic considerations</i>		
4) Philipp Romero (Heidelberg) <i>Learning and application of intracorporal slipping knot techniques in minimally invasive surgery</i>		
5) Remo Bilang, Z. Huo, B. Brantner, N. von der Weid, S. Holland-Cunz, S.J. Gros (Basel) <i>Perspective on similarities and possible overlaps of congenital disease formation - Exemplified on a case of congenital diaphragmatic hernia and neuroblastoma in a neonate</i>		
6) Katharina Nobis (Heidelberg) <i>Ist der Rucksackverband in der Versorgung kindlicher Claviculafrakturen obsolet? -Eine randomisierte klinische Studie</i>		
16.20 - 17.25	Feature Topic: Trauma	Vorsitz: P. Romero (Heidelberg), J. Mayr (Basel)
<i>Panel-Talk: P. Romero (Heidelberg) - Pediatric emergency care in Heidelberg - Challenges of planning an interdisciplinary outpatient clinic Andreas Bartenstein (Bern) -Care for severely injured children - How can we improve? Georg Staubli (Zürich) -Pediatric emergency department – Our experience</i>		
1) D. Troxler (Basel) <i>Use of ultrasound in the diagnosis of fractures in children (Frakturdiagnostik per Ultraschall beim Kind)</i>		
2) B. Frei (Basel) <i>Tool for interdisciplinary teaching – Gipsbuch</i>		
17.30	End
